Asoka

I know you were away in London when this happened, nevertheless expecting a brilliant response as this.

As always we are indebted.

Prof. Phillip Alston

U.N. Special Rapporteur on Extrajudicial Execution

United Nations Human Rights Council

Geneva, Switzerland

Dear Prof. Alston:

I don't envy your job trying to make the world a better place to live and in the process trying to unravel and understand the vindictive story-tellers trying to implicate their opponents with unsubstantiated war crimes, and get your good-self involved to get their dirty work accomplished.
